

REMARKS

Status of the Claims

Claims 2-6, 8-13, 23-26, and 102 are presenting pending. Claims 2-6 are current amended. The amendments to the claims are supported by the specification and do not add new matter. Specifically, the amendments to claims 2-6, reciting "viable" oocysts, are supported by the specification at paragraphs [0004], [0021], [0022], [0026], [0027], [0030], [0031], [0039], [0040], [0045], [0066], [0069], [0084], [0114], [0151], [0154], [0159], [0160], [0162], and [0185], as well as originally filed claims 76, 90, 91, and 98-101.

The listing of the claims is now properly identified using the correct status identifier.

Conclusions

In light of the foregoing, the Applicants request entry of amendments to the specification and claims, withdrawal of the specification objections and claim rejections, and solicit an allowance of all pending claims, *i.e.*, claims 2-6, 8-10, 23-26, and 102.

The Commissioner is hereby authorized to change any and all fees that may be required or credit any overpayment to Deposit Account No. 50-1662.

Respectfully Submitted,
POL SINELLI SHUGHART PC
